KANPUR SCHOOL OF CHESS

♔ Building Minds Through Chess ♔

Where Passion Meets Excellence

Founded in 2026 by two friends (FA Satendra Singh & SNA Vikash Nishad) united by their passion for chess and education, **Kanpur School of Chess** was created with a bold vision — to bring premium chess education to Kanpur and raise the standard of chess training in the city.

We believe that every child has the potential to think creatively, make intelligent decisions, and achieve extraordinary things. Chess provides the perfect platform to develop these abilities while nurturing discipline, patience, confidence, and sportsmanship.

Our academy is committed to creating a professional and inspiring environment where students can learn chess systematically, improve their playing strength, and pursue the game as a serious sport.

From a child's first move to the pursuit of tournament excellence, we guide every student with dedication, structured training, and a genuine passion for their growth.

Our ambition is simple: to build a stronger chess culture in Kanpur and help our students reach their highest potential.
